The Commissioner of Fisheries, Vijayawada in the reference read above has reported that due to retirement/relinquishment/ promotions (9) posts of Assistant Directors of Fisheries in Multi Zone-I and (3) posts of Assistant Directors of Fisheries are fallen vacant in the present panel year 2017-18. 2. The Commissioner of Fisheries, Vijayawada has also reported that the Departmental Promotion Committee decided to address the Government for according permission to promote (9) Fisheries Development Officers in Multi Zone-I and (3) Fisheries Development Officers in Multi Zone-II as Assistant Directors of Fisheries on Adhoc basis, which are meant for Direct Recruitment quota, in view of requirement of service of Assistant Directors of Fisheries in the field for extension activities and implementation of various welfare schemes and monitoring of infrastructure works taken up with the State Government and Government of India funding in 13 districts of the State. The Government has very keen to achieve double digit inclusive growth from fisheries sector for economic empowerment of new state of Andhra Pradesh. Since the direct recruitment through Andhra Pradesh Public Service Commission will take more time and it results in hampering of work in the field and impact on the growth rate of fish and shrimp production and the Fisheries Sector in the state aims to achieve a production of 42 lakh tones with GVA of Rs. 80,000 crore by 2019-20. To fulfill the vision of Andhra Pradesh it is highly desirable to strengthen the field level extension net works by giving encouragement to field level officer with promotions.

3. The Commissioner of Fisheries, has therefore, requested the Government to accord permission to fill up the (12) vacant posts of Assistant Directors of Fisheries, which are meant for direct recruitment, by giving promotion on adhoc basis from the eligible Fisheries Development Officers as Assistant Director of Fisheries, as the Departmental Promotion Committee has approved (9) names in Multi Zone-I and (3) names in Multi Zone-II, to give promotion on Adhoc basis as Assistant Directors of Fisheries, by taking undertaking from the concerned Fisheries Development Officers that they will not contest in any manner, in case of reversion in the event of posting of direct recruits.

4. Government after careful examination, hereby accord permission to the Commissioner of Fisheries, Vijayawada for filling up of total (12) vacancies of Assistant Directors of Fisheries meant for Direct Recruitment quota during the panel year 2017-18, by giving promotion on purely temporary and adhoc basis from the eligible (9) Fisheries Development Officers in Multi Zone-I and (3) Fisheries Development Officers in Multi Zone-II, as per the Minutes of
